

STEP 1: Visit the event link at <https://bit.ly/RECongressAndExhibit2020xiCREATE2020>

The screenshot shows the LYOH platform interface. On the left is a sidebar with a 'RECOMMENDED PROVIDERS' list including Pathways Psychological, Manila Coding Camp, BIZCORE Business Centre, Asian Center of Education, Fountainseeds Skills Enrichment, AFFIRM Center for Research, CPD/CFT Training Center, PHILIPPINE INVESTIGATING, and Premier Value Provider Inc. Below this is a 'Be a Provider!' section. The main content area features a banner for the '3rd Renewable Energy Congress and Exhibit, and 1st iCREATE 2020' event, dated December 18, 2020, from 1-5 PM. The banner includes the event logo and the theme 'STRENGTHENING THE ROLE OF RENEWABLE ENERGY IN RECOVERY & DEVELOPMENT'. Below the banner, the event title is repeated, followed by the provider 'The Centre' (TC) and the dates 'Dec 11 1:00 PM - Dec 18 5:00 PM'. A detailed description of the event follows, mentioning the involvement of Friedrich Ebert Stiftung (FES)-Philippines and various partners. A 'Buy for P0.00' button is visible in the top right corner of the event card.

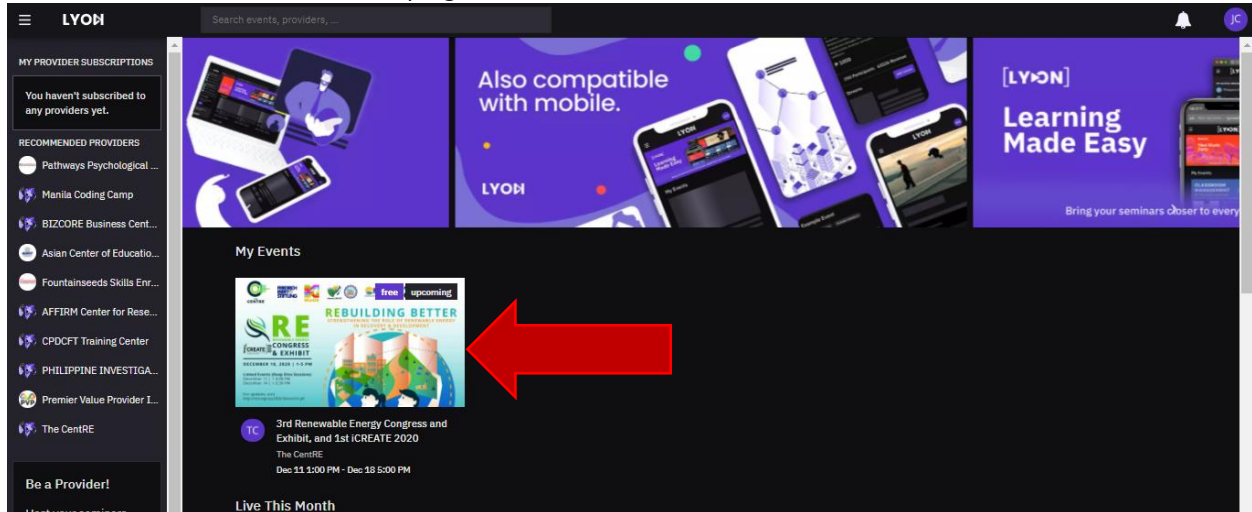

STEP 2: Click the "Sign In" button.

This screenshot is identical to the one above, but with a red arrow pointing to the 'Sign In' button in the top right corner of the LYOH header.

STEP 3: Type in your appropriate email address and password to sign in.

STEP 4a: You will be directed to your account homepage. Just click on the event thumbnail to be redirected on the event page.

STEP 5a: You can now access the event homepage. Just click on the session you want to attend.

3rd Renewable Energy Congress and Exhibit, and 1st iCREATE 2020 Purchased

The Centre

Dec 11 1:00 PM - Dec 18 5:00 PM

The Centre and Friedrich Ebert Stiftung (FES)-Philippines – in cooperation with the Center for Renewable Energy and Appropriate Technologies-Ateneo de Davao University- Mindanao Renewable Energy Center, Mindanao Development Authority, and New Energy Nexus – are organizing its first-ever virtual multi-stakeholder event in the desire to continue to bring together key stakeholders despite many limitations due to the pandemic. This online event aims to continue to provide a venue for learning from and collaboration to attain viable energy solutions that will lessen the impacts of the pandemic, climate change, and economic crises. Speakers from the government, energy industry, academe, and people's organizations will tackle policies, practices and challenges to make energy sufficient, affordable, sustainable, resilient/adaptive, inclusive, and generally responsive to the call of the times.
